## Fiscal Analysis

### ASSUMPTIONS:

1. No change in the statutory base schedules for schools will occur as a result of this bill.

### FISCAL IMPACT:

None.

### EFFECT ON COUNTY OR OTHER LOCAL REVENUES OR EXPENDITURES:

This bill may require local governments to spend additional sums for which no specific means of financing are provided. Section 1-2-114, MCA provides that bills that have such an impact may not be introduced.

(continued)

The cost associated with HB 37 is expected to vary significantly district to district. Some schools have plans that currently comply with HB 37 and the additional cost of copies of the plan may be minimal. Other schools may have no specific plan and may have substantial expenditures related to complying with HB 37.

Costs of HB 37 for school districts may include:

Current law requires only eight disaster drills per year and this law requires up to 11 disaster drills per year.

Time for faculty and staff to develop the plan and receive training, which may require additional staffing.

Printing costs of the plan.
